

SAFE DRIVE-THROUGH
ONSITE TESTING

EMPLOYER SPONSORED TESTS

Braselton Urgent Care will help get your employees back to work SAFELY with drive-through, onsite COVID-19 testing.

TYPES OF TESTS:

- Oropharyngeal/nasopharyngeal (nose and throat) swabs which take 2-3 days to come back, as they are sent to outside lab.
- Rapid antibody test, (finger stick or blood draw) which takes only 15 minutes to get results.

COST: Insurance typically covers 100%.

- Insured patients - administration fee and cost for swab test will be billed to insurance. Antibody tests included with administration at no extra charge.
- Self-pay patients - administration fee is \$130 and swab test is \$110. Antibody tests are included in administration fee. There will be no administration fee for additional rounds of testing.
- Group testing - no additional charge for our team to come to the employer's location to conduct testing. Testing may also be done at our location.
- Email - CovidTesting@BraseltonUrgentCare.com for further questions.

Efficient. Affordable.

EASY!

1. Call to schedule, giving at least two business days notice.
2. Send an employee roster including name and phone number to: CovidTesting@BraseltonUrgentCare.com.
3. Provide new patient and testing paperwork.
4. If you would like results sent to you, have employees sign a waiver giving permission.
5. Set a designated drive through area for testing.
